Cambridge Rindge and Latin School  
Cambridge, Massachusetts

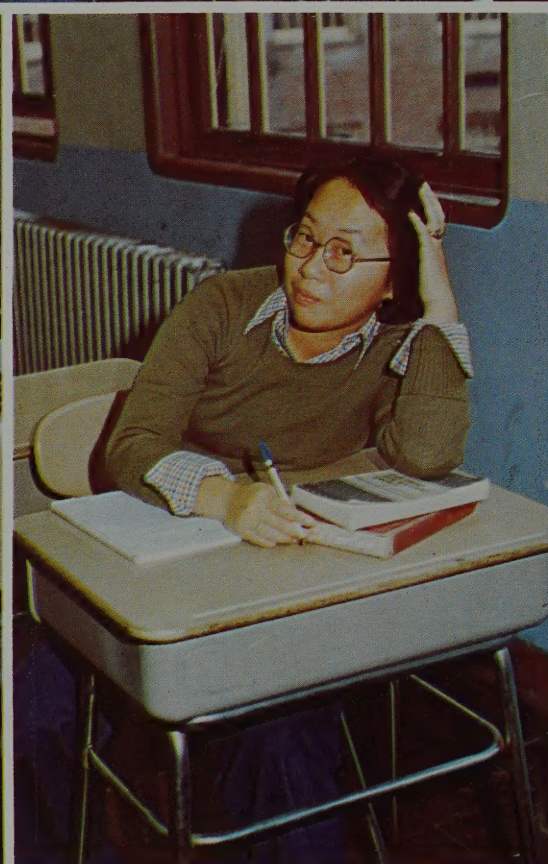

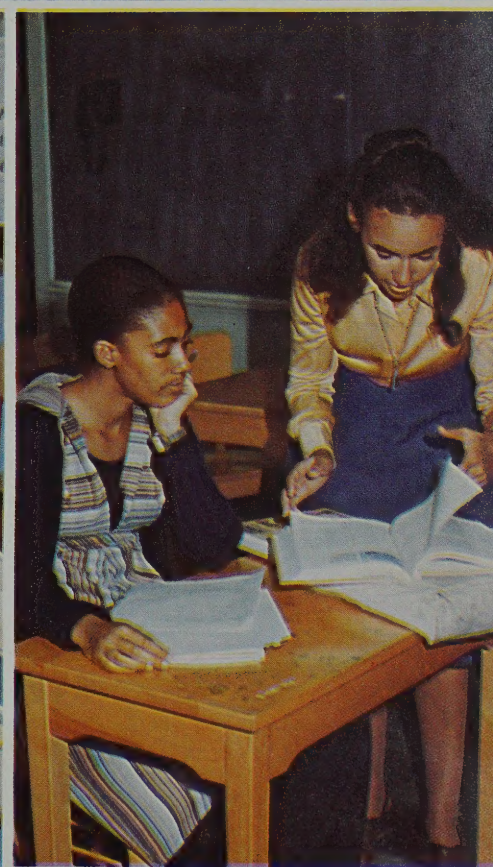

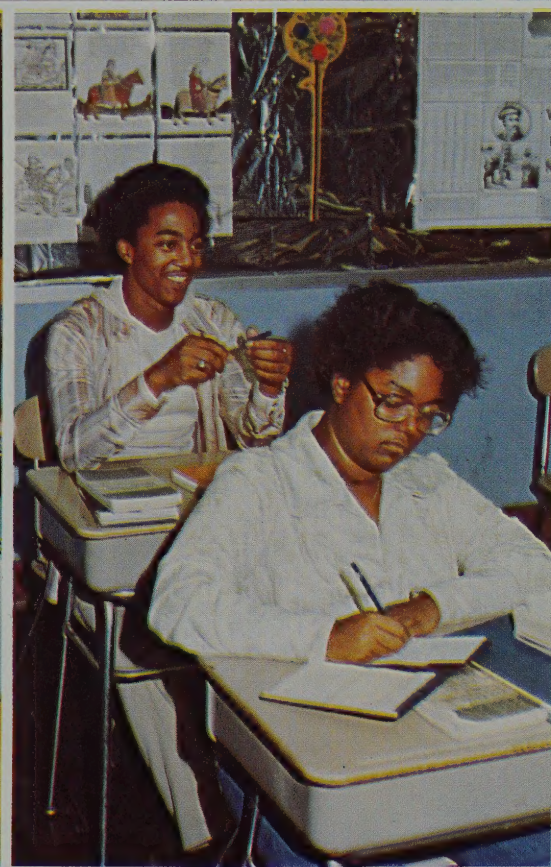

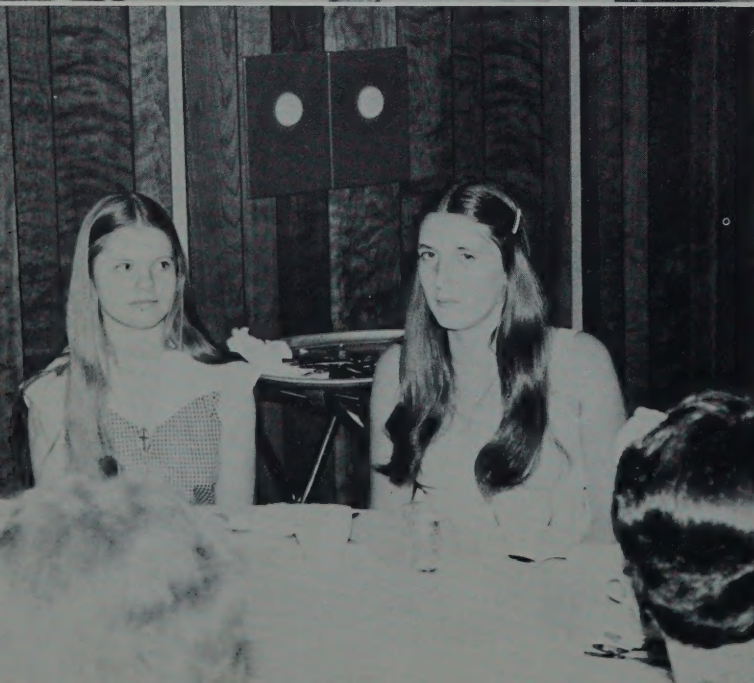

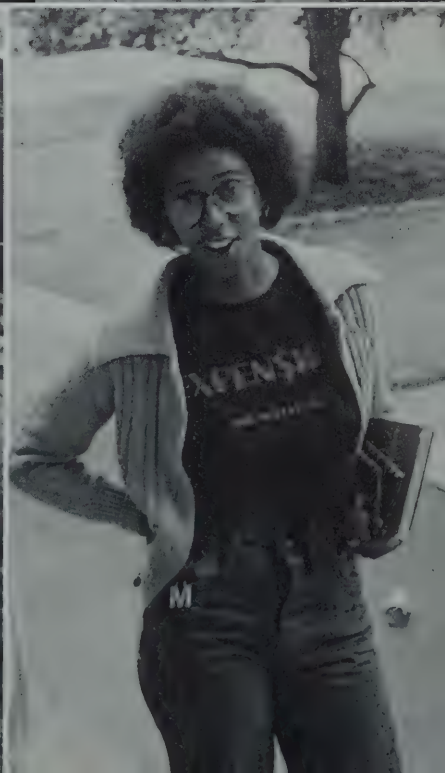

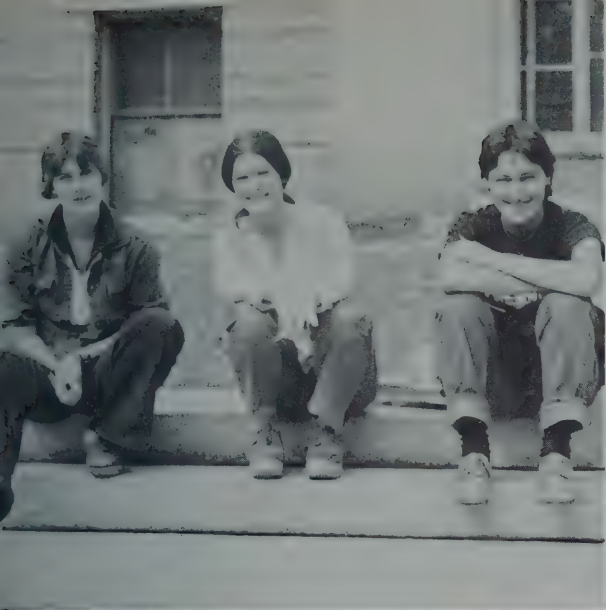

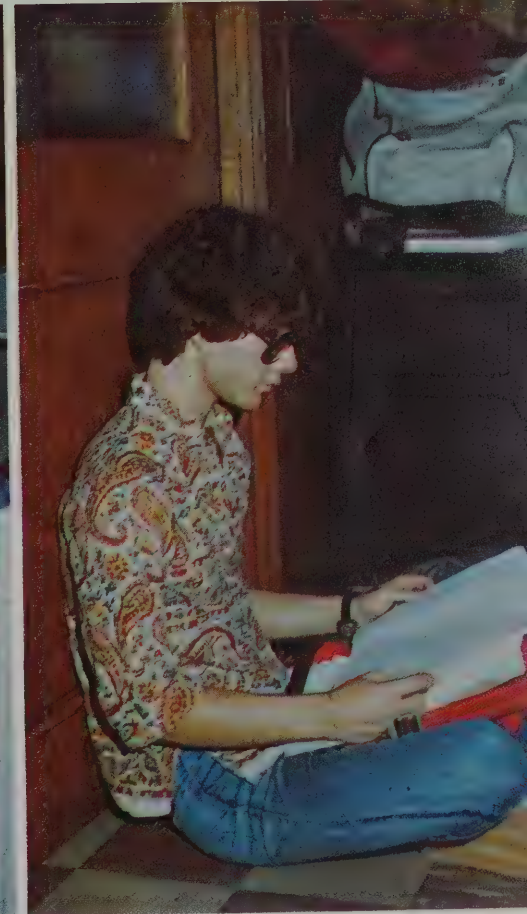

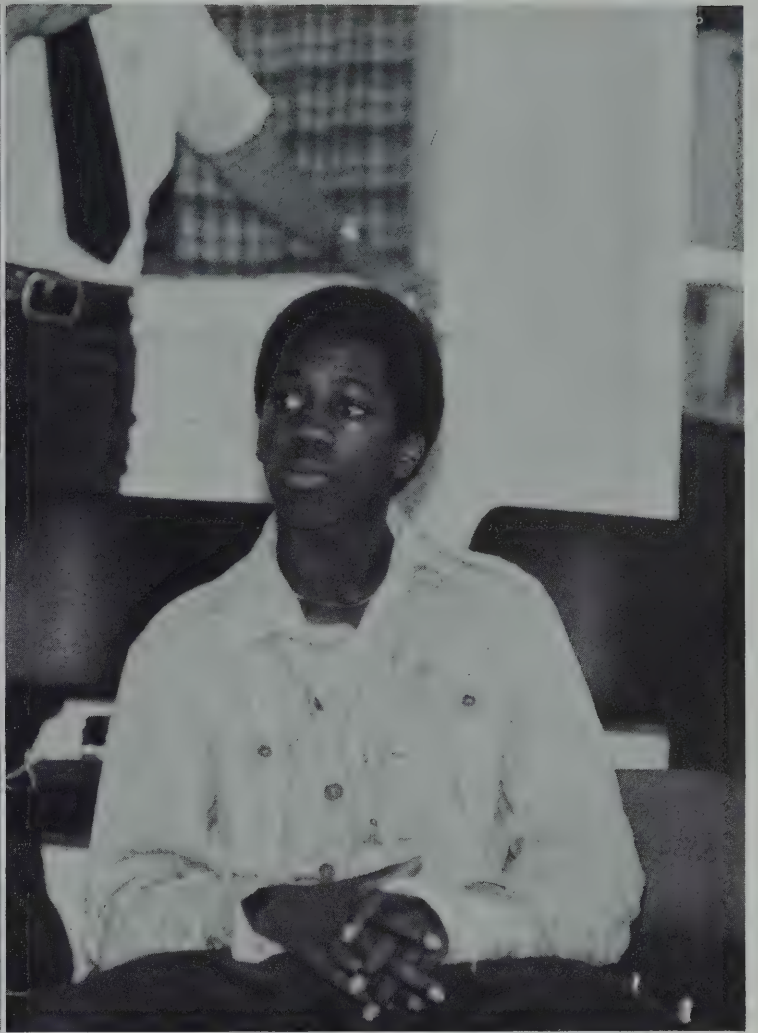

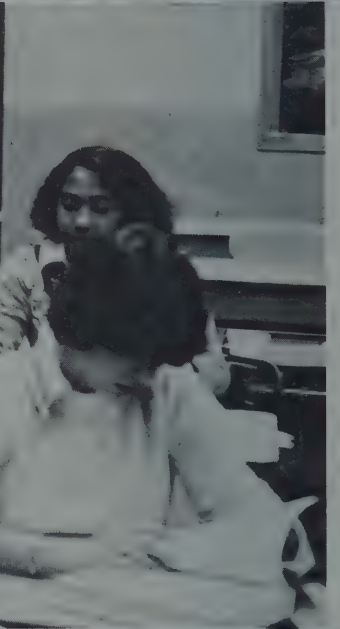

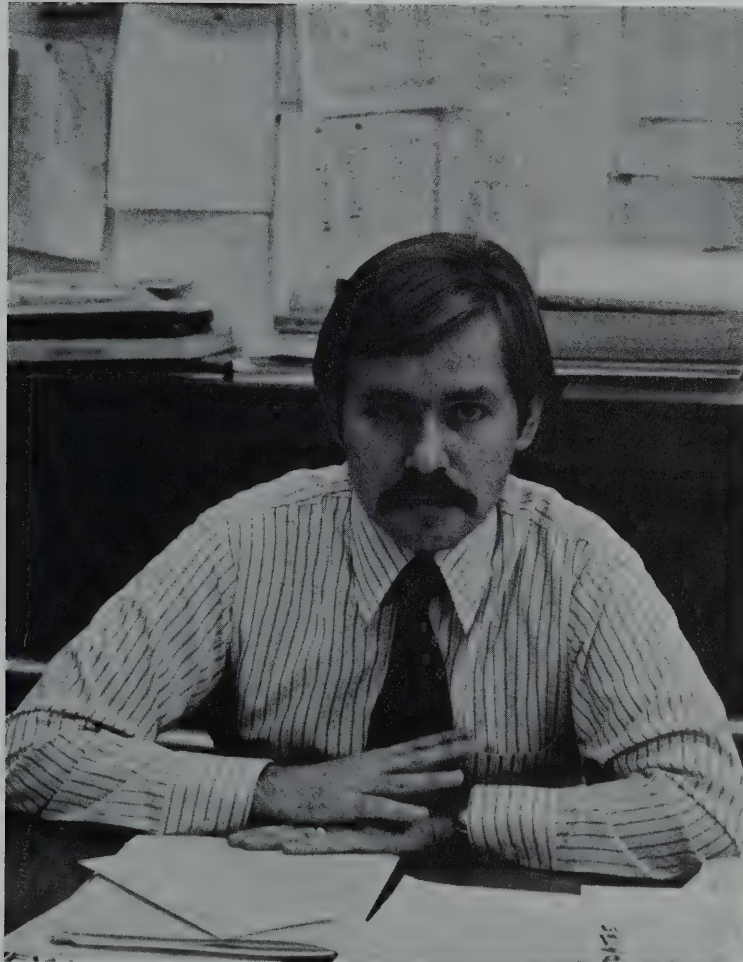

# DEDICATION

Mr. Henry Lukas

Has anyone seen Mr. Lukas? Where's Luke? Is there a bus to the game tonight? The above words can be heard regularly in the halls of CRLS. Since his appointment as Student Governance Director, Mr. Lukas has worked tirelessly to benefit the students and staff of our school. Because of his interest in the welfare of all the students, his efforts to boost school morale and to make CRLS a better place to learn and mature, we dedicate the first edition of the Cambridge Rindge and Latin Yearbook to Mr. Henry Lukas. We wish him all the best in the coming years.

## IN APPRECIATION

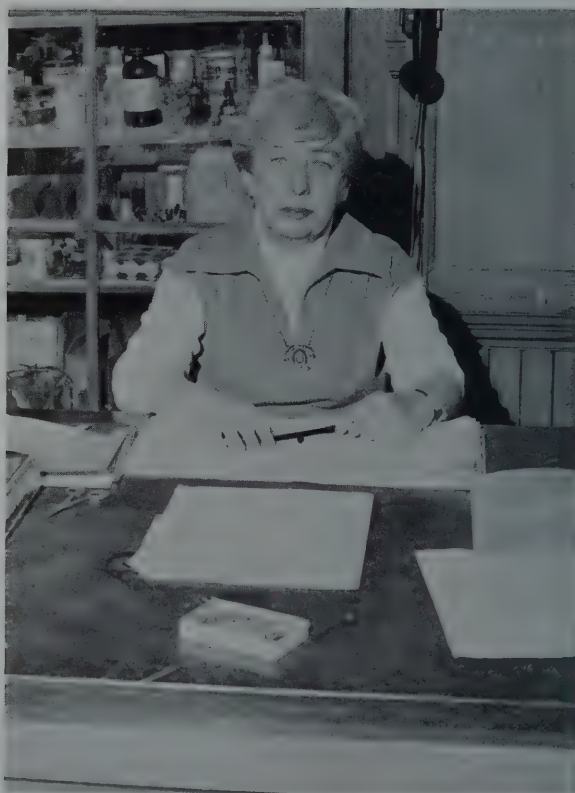

Mr. William Joyce — While serving as a Modern Language teacher and administrator, Mr. Joyce has served the students of Cambridge for many years. His presence will be missed in CRLS.

Ms. Gwendolyn Woods — Her warm smile and kind words are already missed. Ms. Woods' retirement in October came as a surprise to many of us, but we look at it as the culmination of a job well done. We wish her the best.

Ms. Agatha Maguire — Ms. Maguire has served as a reading teacher for many years. Hers was a specialty needed by all. The understanding she displayed while working with students was also a specialty. She will be missed.

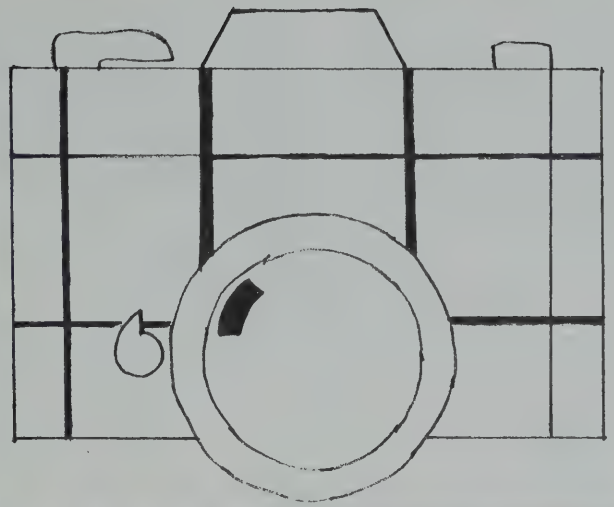

Ms. Elizabeth Schuler — Ms. Schuler has served as a Science teacher for over thirty years. We have come to look upon her as an example of what excellence in teaching is. For those of us who know and respect her, her retirement comes to soon.

# CLASS HISTORY

## FRESHMAN YEAR

As separate individuals from different parts of the city, we came together in September of 1974. That first day all incoming freshman reported to their deans and head masters; that's where it all began for us. From that moment on we became the class of 1978.

We were not the only new aspects of the school; Mr. Weaver became the new head football coach for Latin. The annual Turkey Game between Rindge and Latin was to be held at Harvard Stadium for the first time. Unfortunately, this new playing location did not bring the cantabs any luck; they were defeated by the warriors by a score of 32-22.

The Latin boys basketball team continued their losing streak, while Rindge's basketball team did very well without any championships. The girls basketball team became the Suburban League Champions with an impressive 15-1 record. Both the hockey and baseball teams for each school had a pretty good season. Rindge indoor track team won the Suburban League title and also the Class D state meet for the second time in a row.

As the year ended both Rindge and Latin students settled in quite nicely.

## SOPHOMORE YEAR

The name freshmen no longer applied to us. Knowing each building inside out, we were involved in clubs, sports, and all kinds of extracurricular activities.

Our sophomore year began with a new superintendent, Mr. William Lannon. Senator Edward Kennedy came to visit C.H.L.S. Rindge students returned to a more improved trade section of the school, Occupational Education.

The Thanksgiving Day Game was another loss for the Cantabs with a score of 8-0. The Cambridge Rockettes led by Jimmy Smith made their debut.

Channel 4's Len Berman promised to televise every Latin boy's basketball game until they won. That, however, was not meant to be, at least not for Latin. Rindge basketball won the Eastern Mass. championships and also became the Suburban League Champions. The girl's basketball team was doing just as good as Rindge, they were undefeated and also became Suburban League Champs, as well as North Sectional Champs. The Latin girl's softball team were also winners. They captured the Suburban League crown. The Rindge outdoor track team held the State Championship for the first time in 34 years. Rindge baseball pulled together and had a good season of 10 wins and 4 losses. Latin's also did well.

As this school year came to a close so did other things. It was the last year of G.A.A. It was also the year of Miss Hyde's retirement after forty years of dedicated service to the school system.

## JUNIOR YEAR

We finally reached the half way point of our high school years.

Along with our old friends and teachers, we were joined by Rindge Tech students and faculty. They were all mostly housed on the third floor of the Latin building. Some students were located at Rindge Tech Annex.

We started the school year off by ordering class rings, we were officially upperclassmen now. Next, we tried something a little different, we held class elections to last us through senior year. Elected were Stephanie Arena, President, Betty Pereira, Vice President, Susan Morris, secretary, and Bobby Burrell, treasurer. The seven spots for prom committee were filled by Krystal Arena, Michael Beniot, Arlene Casey, Dee Dee Demers, Valerie Meckel, Susan Foster, and Betty Wong.

The Cambridge Cantabs were never winners at Harvard Stadium as they lost to the Rindge Tech Warriors 14-7 in what proved to be the last Turkey Day confrontation between the two schools. The Latin boys basketball team finally ended the 44 game losing streak, it was their first win in three seasons. But the Rindge boys basketball team did just as well, they won the Eastern Mass Section and in the State Finals lost their last game to Springfield. The girls basketball team once again dominated the sports scene at Latin. They not only were the Suburban League Champs, they went all the way to the finals played at Holy Cross. Unfortunately, they suffered a defeat at the hands of Chicopee. They will always be #1 to us. We had another team of champions at Latin the girls indoor track team captured the Suburban League crown. Again the track and hockey teams for both schools came up with a win here and there.

One of the biggest events of the year was a student walkout in January in protest of the School Committee's recommendation to name the new high school The Fredrick H. Rindge Memorial High School. Because of the united concern and effort of the student body, the School Committee reconsidered their decision and the student were allowed to give more input.

The winter finally ended and spring fever set in. After such a busy year, we decided to take an unofficial "snow" day in June, commonly called a hook day by the faculty. We hired a bus and took off for Paragon Park. The day started out dark and dreary but it ended in sunshine as did most everyone's Junior Year.

## SENIOR YEAR

Senior year at last. But things were different for us all. We were no longer Cambridge High and Latin and Rindge Technical School. With the new school year came a new school name: Cambridge Rindge and Latin School. The two schools had finally merged and very smoothly at that. It was time to get to work.

The former Rindge students elected two co-officers, Mark Johnson, as co-president and Martin Montgomery, as co-vice president. David Skelton, Keith Simmons, Billy Robinson, and Matt Mahoney were elected to the Prom Committee as Rindge representatives. The school year was under way.

As for sports, both Latin and Rindge had combined their teams. It was the first Turkey Game that we weren't playing each other. We played Don Bosco and lost. The boys basketball team finally made it to the Suburban League, but lost the first game. The girls basketball team made it to the states also. As for track and hockey, well they did just as good as any other year. Girls track and field hockey had a very good season also.

This year's senior class put on a fashion show that was held at Kresgee Auditorium. It seemed to be put on very well. We were also planning to put on a "Gong Show", along with a student faculty game.

This was the year everyone was waiting for, and now it's over as fast as it came. We will never forget all the friends we made during our four years in high school, all the problems we had to face when we first came to the school and how teachers and guidance counselors help all they could. We will always remember our high school days at Cambridge Rindge and Latin.

## EPILOGUE

Time has come to say good-bye to our high school days. Another chapter in our lives ends, but it shall never be forgotten.

We have learned not only the value of an education, but have also come to appreciate true friendship: the sharing of our thoughts and feelings, both in moments of joy and sadness. Most of all, however, we have learned together, the joy of living.

“Through pleasant and cloudy  
weather,  
Tis hard to part when friends are  
dear.

Perhaps it will cost a sigh, a tear . . .”

Yet we must go on, as the years sign not the ending, but the beginning of a new and better life.
